Total Homes Weatherized in February 2010	18,091
<p>* This data represents homes weatherized in February only and is not a cumulative figure. Homes weatherized in January 2010 will be reflected in the quarterly report for the 1st Quarter 2010. Grantees are required to submit this data to DOE at the end of April. Weatherization program data is generally reported on a quarterly basis. In order to provide additional oversight and better tracking of the progress of the weatherization program, monthly reporting began starting with the month of February.</p>
